Dear Sirs,

INVITATION TO TENDER

We are pleased to invite you quote your lowest prices for the supply of the attached listed items, in accordance with the following terms and conditions.

- 1) The quantity shown on the attached list represents our estimated twelve (12) months consumption and is intended as a guide for you in preparing your quotation.
- 2) Any prices accepted by us shall remain fixed for all relevant purchase orders placed by us within Twelve months (12).
- 3) Your prices shall include delivery of materials to our premises at the Bahrain International Airport site. Prices quoted shall also include cost of material, container, packing and also allow for all trade and cash discount.
- 4) Acceptance of quotations shall be communicated by Letter of Intent which, when acknowledge by you, shall constitute a Purchase Agreement. Thereafter, we shall, at our sole option, issue from time to time written purchase orders, normally on monthly basis, for specific quantities for delivery to us on specific date.
- 5) We shall not be obligated to accept any delivery other than the stated in our purchase order.
- 6) Supplies must be available ex-stock. If for any reason you have no supplies, BAS reserves the right to purchase at the market price and charge you the difference in price.
- 7) Your quotation and samples should be sent in a sealed envelope addressed to Manager Materials or to our Tender e-mail address: mtender@bas.com.bh stating our RFQ number on the heading subject which will allow us to identify which suppliers have submitted quotations without having to open the contents of the e-mails and not be copied to any other party, otherwise it will be rendered as disqualified.

Bahrain Airport Services will not be obligated to accept the lowest quotation and we reserve the right to accept or reject any tender without assigning any reasons.

NOTE:-

Please acknowledge receipt of our invitation to tender and confirm whether or not your company will be participating in the tender process. e-mail address : fouzia@bas.com.bh
